Action Taken Report Report (ATR) on Institutional Development Plan (2025–26)

Action Taken Report (ATR)

The Institutional Development Plan (IDP) 2025–2040 has been implemented in a phased manner during the academic session 2025–26 in alignment with the objectives of NEP 2020, NAAC Quality Indicators, and Sustainable Development Goal (SDG-4). The progress achieved under various focus areas is as follows:

1. Academic Excellence and Quality Enhancement

- Introduced B.Sc. Home Science and an additional section of B.Sc. Agriculture (Self-Finance) to cater to increasing student demand and promote multidisciplinary, career-oriented education.
- Strengthened ICT-enabled teaching-learning through extensive use of Google Classroom and other digital platforms for online teaching, assignments, and continuous student engagement.
- Successfully implemented digital academic administration through the Samarth Portal for student admissions and faculty promotion processes, ensuring transparency and efficiency.
- Completed institutional and faculty registration on the I-STEM Portal to promote research, innovation, and access to advanced scientific infrastructure.
- Strengthened library services through DELNET membership and the implementation of DrillBit Plagiarism Detection Software, enhancing access to e-resources, research materials, and promoting academic integrity.
- Obtained ISO Certification, demonstrating the institution's commitment to quality assurance and continuous improvement.
- The Alumni Association has been successfully registered, strengthening alumni engagement, institutional networking, mentoring, and resource mobilization for the overall development of the institution

NAAC Accredited "A" Grade college (3.39/4.00 C.G.P.A)

- Signed several Memoranda of Understanding (MoUs) with academic institutions and industry partners for collaborative teaching, training, research, internships, and placement opportunities.
- Expanded library resources by procuring new books, journals, and digital learning materials.
- Ensured effective functioning of the Internal Quality Assurance Cell (IQAC) for continuous quality monitoring and implementation of institutional initiatives.

2. Infrastructure Development

- Renovated laboratories, classrooms, and the indoor sports stadium to improve academic and sports infrastructure.
- Upgraded campus facilities by improving lighting, furniture, drinking water facilities, sanitation, and campus safety measures, thereby providing a better learning environment.

3. Digital Transformation

- Organized faculty training programmes on E-Content Development, digital teaching methodologies, and ICT-enabled education.
- Strengthened digital governance through systematic documentation and uploading of institutional data on the UP PRAMAN Portal, enhancing transparency and quality monitoring

4. Student Support and Holistic Development

- Promoted holistic student development through NSS, NCC, Sports, Cultural, and Extension Activities, fostering leadership, social responsibility, community engagement, and personality development.
- Improved women's hygiene and sanitation facilities to ensure a safe, healthy, and inclusive campus environment.
- Organized various skill development programmes, entrepreneurship initiatives, career guidance activities, and placement drives to enhance students' employability and professional competencies.

5. Research, Innovation and Extension

- Initiated the process for establishing Research Centres in various departments to strengthen research culture and interdisciplinary collaboration.
- Encouraged faculty and students to participate in seminars, conferences, workshops, guest lectures, and interdisciplinary research activities.
- Organized academic events, including the Agriculture Summit on "Policy Dialogue on Climate Change and Agriculture", expert lecture series, and skill development programmes to promote innovation, sustainability, and industry-academia collaboration.

6. Governance, Monitoring and Institutional Quality Assurance

- The implementation of the Institutional Development Plan was continuously monitored by the IQAC and the Development Committees through periodic review meetings.
- A comprehensive review meeting was held to assess progress, identify achievements, and recommend future action plans for effective implementation of the IDP.
- Regular monitoring ensured timely implementation of institutional quality initiatives in accordance with the goals of the Institutional Development Plan.

Outcomes Achieved

- Enhanced academic quality through the introduction of new academic programmes and ICT-enabled teaching-learning practices.
- Strengthened digital governance through the effective implementation of the Samarth Portal and UP PRAMAN Portal.

NAAC Accredited "A" Grade college (3.39/4.00 C.G.P.A)

- Improved research ecosystem through I-STEM registration, library modernization, plagiarism detection software, and enhanced academic collaborations.
- Strengthened institutional quality assurance through ISO Certification, active IQAC functioning, and systematic quality monitoring.
- Upgraded physical infrastructure and student support facilities; creating a more conducive learning environment.
- Enhanced employability, entrepreneurship; and holistic development of students through skill development programmes, career guidance, and extension activities.
- Strengthened institutional networking through MoUs, alumni engagement initiatives, and collaborations with academic and industry partners.
- Established a strong foundation for achieving the long-term goals envisaged in the Institutional Development Plan (2025–2040).
