ACTION TAKEN REPORT (ATR) INSTITUTIONAL DEVELOPMENT PLAN (IDP) JANTA VEDIC COLLEGE, BARAUT**

SESSION: 2025-26
PREPARED BY: IQAC

Introduction

This is to report the actions taken on the resolutions and strategies proposed in the Institutional Development Plan (2025-2040). The college has initiated several measures in alignment with NEP 2020, NAAC guidelines, and institutional goals to ensure quality enhancement, infrastructure development, and academic excellence.

Action Taken Details

1. Governance and Planning

- Institutional Development Committee constituted with representation from faculty, administration, and stakeholders.
- Regular meetings conducted to monitor IDP implementation.
- Coordination with IQAC strengthened for quality assurance and documentation.

2. Academic Development

- Review of existing academic programs initiated in line with NEP 2020.
- Proposal for introduction of new vocational/self-financed courses under consideration.
- Steps taken to enhance outcome-based education and continuous internal evaluation.

3. Infrastructure Development

- Identification of priority areas for laboratory and classroom upgradation.
- Initial maintenance and repair work of classrooms and basic facilities undertaken.

- Initial maintenance and repair work of classrooms and basic facilities undertaken.

4. Digital and ICT Initiatives

- Process initiated for implementation of Learning Management System (LMS).
- Efforts made to enhance digital resources in the library (e-books, e-journals).
- Faculty encouraged to adopt ICT-based teaching methods.

5. Research and Faculty Development

- Faculty motivated to participate in seminars, workshops, and FDPs.
- Encouragement provided for submission of research proposals to funding agencies.
- Discussions initiated for establishing a research and innovation culture.

6. Student Support and Development.

- Promotion of NSS, NCC, sports, and extracurricular activities for holistic development.
- Career guidance and counseling activities initiated.

7. Quality Assurance

- IQAC actively involved in monitoring academic and administrative processes.
- Regular feedback collected from stakeholders for quality improvement.

8. Sustainability and Community Engagement

- Awareness programs on environmental sustainability conducted.
- Initiatives taken to promote green practices on campus.
- Community outreach activities strengthened.
