

Best Practices of the Institution (2026-27)

Best Practice 1: Yagya (Vedic Practice)

Objective:

- To promote environmental awareness through the traditional practice of Yagya.
- To inculcate moral, spiritual, and cultural values among students.
- To create a healthy and positive campus environment.

Practice:

The institution organizes Yagya on important national, cultural, and institutional occasions. Faculty members, students, and staff actively participate in these events. The practice promotes environmental consciousness, discipline, and Indian cultural heritage.

Best Practice 2: Promotion of Rural Sports

Objective:

- To preserve and promote indigenous rural sports.
- To improve students' physical fitness and teamwork.
- To encourage participation in traditional games.

Practice:

The institution organizes practical training sessions on rural sports such as Kabaddi, wrestling and other indigenous games. Students actively participate in these training sessions focusing on physical fitness, agility, strength, coordination, teamwork, and sportsmanship.
