

Report on IIC–IPR Activities for Students

Title of the Programme:

IIC Activities on Intellectual Property Rights (IPR) Awareness

Duration:

7 April 2026 to 10 April 2026

Introduction:

The Institution's Innovation Council (IIC) of Janta Vedic College, Baraut organized a series of activities from 7th to 10th April 2026 focusing on Intellectual Property Rights (IPR) awareness among students. The programme aimed to educate students about the importance of protecting innovations, creative works, and research outputs through various forms of intellectual property.

Objectives of the Programme:

- To create awareness about Intellectual Property Rights among students
- To introduce different types of IPR such as patents, copyrights, trademarks, and designs
- To encourage students to protect their innovative ideas
- To promote a culture of research, innovation, and originality

Participation:

The programme witnessed active participation from approximately **400 students** from various disciplines. Faculty members also attended and contributed to the sessions.

Outcomes of the Programme:

- Enhanced awareness of IPR concepts among students
- Improved understanding of patent filing and protection mechanisms
- Encouragement for innovation and research-based activities
- Development of analytical and critical thinking regarding intellectual property

Conclusion:

The four-day IIC-IPR activity programme was highly informative and successful in achieving its objectives. It played a significant role in sensitizing students towards the importance of intellectual property and inspired them to safeguard their innovative ideas.
