

Skill-based Entrepreneurship

On November 18, 2025, the **Institute Innovation Council (IIC)** of Janta Vedic College, Baraut, organized an entrepreneurial session on '**Pot Making**' for plants. The session aimed to foster creativity, practical skills, and self-employment among students by providing hands-on training in preparing cement pots using basic tools and techniques.

The event was honoured by the presence of the College Principal, Prof. V.P. Singh; IQAC Coordinator, Prof. G.P. Singh; NAAC Coordinator, Prof. Shyam Kishor; and resource person Dr. Anupam Tiwari. Their encouragement motivated students to actively participate and appreciate the value of skill-based initiatives.

The primary goal was to nurture an entrepreneurial mindset by showcasing how traditional craftsmanship can evolve into a viable business opportunity. The session proved to be engaging and enlightening, inspiring students to consider innovative and sustainable career paths.

The event concluded with a vote of thanks by the IIC Convener, Dr. Manoj Kumar Sharma, expressing gratitude to all dignitaries for their support.
