BARAUT (BAGHPAT), U.P., Ph. : +91 7599658004

ACCREDITED BY 'NAAC' WITH 'A' GRADE (CGPA 3.39)

Ref. : 14/JVC-IQAC/2025-26

Date : 30-03-2026

## VISION & MISSION

### VISION :

To emerge as a leading technology-enabled and student-centric institution committed to academic excellence, innovation, sustainability, and social responsibility, nurturing globally competent graduates and aspiring to be among the top 100 colleges of India through transformative education, research, and community engagement.

### MISSION :

#### 1. Academic Excellence & Infrastructure :

To provide highly qualified faculty, digitally enabled classrooms, well-equipped laboratories, modern research facilities to graduate and research scholars, and enriched library resources to support quality teaching, advanced learning, and interdisciplinary research.

#### 2. Student-Centric Holistic Development :

To promote the all-round development of students through academic mentoring, skill development leadership training and participation in NSS, NCC, Sports, Yoga and Cultural Activities.

#### 3. Inclusive and Equitable Education :

To ensure equitable access to quality education by providing remedial coaching, academic support, and mentorship for socially and educationally disadvantaged students, enabling them to achieve their full potential.

#### 4. Sustainability and Environmental Responsibility :

To cultivate environmental consciousness and sustainable practices by promoting conservation of natural resources, ecological awareness, and responsible use of renewable energy.

#### 5. Entrepreneurship and Industry Collaboration :

To foster entrepreneurship, innovation, and self-employment opportunities through incubation support, skill development programs, and public-private partnerships with industry and community stakeholders.

#### 6. Digital Transformation and Future Skills:

To integrate technology, digital learning platforms, and emerging skills in education to prepare students for the knowledge economy and future workforce.

#### 7. Promotion of Indian Knowledge Systems and Vedic Heritage :

To promote the rich legacy of Indian Knowledge Systems (IKS) and Vedic heritage by integrating traditional wisdom with modern education. The institution strives to create awareness about ancient Indian sciences, philosophy, agriculture, yoga, and ethical values, fostering cultural pride and holistic understanding among students.

#### 8. Promotion of Rural sports in addition to modern games and sports :

To encourage physical fitness, teamwork, and preservation of indigenous sports culture by promoting rural and traditional games. The institution supports student participation in local and rural sports activities, providing opportunities for talent identification, skill development, and competitive exposure.
