JVC/Ag Ento/2025-26/26

Department of Agriculture Entomology JVC Baraut

Academic calendar-2025-26

All academic activities of Entomology in the B.Sc. Agriculture program are conducted according to the course outline of CCS University. The curriculum includes regular theory and practical classes, along with continuous internal and external assessments. In addition, certain courses require site visits; therefore, educational tours are organized to provide students with practical exposure and experiential learning.

- ✓ Identification of insects in farm fields.
- ✓ Observation and classification of harmful and beneficial insects.
- ✓ Identification and demonstration of equipment used in entomology.
- ✓ Visit to plant protection outlets/shops near the college with students.
- ✓ Occasional quizzes and oral presentations on specific topics related to entomology.
