Institutional Development Plan (IDP) Implementation Progress Report (2025-26)

Introduction

Janta Vedic College, Baraut has successfully initiated the implementation of its Institutional Development Plan (IDP) 2025-2040 during the academic session 2025-26. The implementation is guided by the vision of achieving academic excellence, institutional sustainability, digital transformation, research and innovation, and holistic student development in accordance with the objectives of the National Education Policy (NEP) 2020, NAAC Accreditation Framework, UGC Quality Mandates, and Sustainable Development Goal (SDG-4). The IDP serves as the strategic roadmap for the institution's long-term development by integrating quality assurance, academic reforms, infrastructure modernization, digital governance, skill development, research promotion, and community engagement. During the reporting period, the college has undertaken several strategic initiatives to translate the objectives of the IDP into measurable outcomes.

IDP Implementation Progress (2025-26)

During the academic session 2025-26, significant progress has been achieved in the following areas:

- Strengthened academic quality through the introduction of new academic programmes, implementation of outcome-based education, and promotion of multidisciplinary learning.
- Enhanced ICT-enabled teaching-learning by adopting digital platforms, e-content development, and blended learning practices.
- Successfully implemented digital governance through the Samarth Portal and UP PRAMAN Portal, ensuring transparency, accountability, and efficient academic administration.

- Strengthened research and innovation by promoting faculty development programmes, expert lectures, interdisciplinary seminars, workshops, Agriculture Summit, guest lecture series, and skill development initiatives.
- Expanded collaborations through Memoranda of Understanding (MoUs) with academic institutions and industry partners to improve research, training, internships, and placement opportunities.
- Modernized library services through DELNET and DrillBit plagiarism detection software to strengthen research support and academic integrity.
- Registered the institution and faculty members on the I-STEM Portal to facilitate access to advanced research infrastructure and scientific facilities.
- Enhanced institutional quality through ISO Certification and continuous monitoring by the Internal Quality Assurance Cell (IQAC).
- Upgraded laboratories, classrooms, sports infrastructure, campus facilities, sanitation, and safety measures to provide a better learning environment.
- Promoted holistic student development through NSS, NCC, sports, cultural activities, career guidance programmes, entrepreneurship development, and skill enhancement initiatives.
- Initiated the establishment of departmental research centres and strengthened the institutional research ecosystem.
- Regularly monitored the implementation of IDP through IQAC and Development Committees by conducting periodic review meetings and evaluating progress against planned objectives.

Overall Progress

The implementation of the Institutional Development Plan during 2025–26 has substantially strengthened the institution's academic quality, governance, digital infrastructure, research culture, student support services, and community engagement. The initiatives undertaken during the year have established a strong foundation for achieving the long-term goals envisaged in the Institutional Development Plan (2025–2040). Continuous monitoring by the IQAC and institutional leadership has ensured that the implementation remains aligned with the strategic priorities of the college and the quality benchmarks prescribed by NEP 2020, UGC, and NAAC.
