NOTICE

This is to inform all students of our college that an awareness program on **Intellectual Property Rights (IPR)** will be organized under the **KAPILA (Kalam Program for Intellectual Property Literacy and Awareness)** initiative. The program aims to educate students about the importance of protecting innovations, research work, patents, copyrights, trademarks, and other forms of intellectual property. The objective of this initiative is to encourage students to develop innovative ideas and understand the process of securing their intellectual creations. Students will also learn about government support available for patent filing and commercialization of innovations.
