

4.4.2

Maintaining and utilizing physical facilities:

The policy of the institution for creation and enhancement of infrastructure to facilitate effective teaching and learning is formulated after the discussion with the Management Committee along with Maintenance Committee, Purchase Committee, Building Committee, and IQAC. The up gradation of existing infrastructure and development of new infrastructure to enhance academic standards and efficiency is decided and monitored by the above-mentioned committees. For Curricular and Co-curricular activities there are well established facilities in our college such as technology enabled learning spaces, seminar halls, tutorial spaces, laboratories, botanical garden, animal house, specialized facilities and equipment for teaching, learning and research, etc.

Extra-curricular activities include sports, outdoor and indoor games, gymnasium, auditorium, NSS, NCC, cultural activities, public speaking, communication skills development, yoga, health and hygiene, etc.

Due to being a fully smoke free zone, the college provides an eco-friendly environment to its students with the latest initiatives of solar power; rainwater harvesting and Vermi-compost plant and other green initiatives being in the pipeline. The class rooms of the College facilitate a blend of traditional and modern modes of teaching with technological aids such as ceiling mounted LCD projectors roll down screen, smart boards, green boards and podium for faculty.

Utilization and maintenance of laboratories:

As per schedule, laboratories are allotted for practical purposes to the different classes. To report the maintenance details of the equipment in order to track the recent purchases and maintenance records, each laboratory has a dead stock ledger too. By normal practice, old and defective machinery and cattles from dairy farm are auctioned time to time.

Utilization and maintenance of computer laboratories:

The computer labs are allocated to the students as per rule of CCS University Meerut as per program. The network administrator of the college administers the installation and repair related to networking.

Utilization and maintenance of library:

The college has a well-furnished library having more than fifteen thousand books and reputed journals for UG and PG students and research scholars also. As per the curriculum, the list of books is collected from the departmental faculty through library in-charge of the departments concerned. Students are advised to obtain an identification card and a library card in order to obtain books from library. Library functions are monitored by a committee of faculty members and students.

Support:

Annual maintenance and repair of infrastructure are taken care of by the institution regularly. Day-to-day maintenance is carried out by the staff appointed for the maintenance of the infrastructure.

The college has a well-planned parking area near the entrance of the building. The college has two generators 7.5KV and 15KV, & Voltage. UPS have also been installed in the office and library.
